COMPANY PROFILE

The Freeman Group was established in UAE in 2000 has been quick to rise and shine in this competitive market that thrives on professional, honest and most importantly punctual service providers and innovative solution / option providing enthusiasts.

Under the esteemed experience and determination of the entrepreneur Mr. Shaji Sebastian, along with a dedicated team, who did not take failure for an answer to any problem that stood in the way of Freeman's success, was laid the building block of this multifaceted venture.

With over 20 years of experience in the same field, and the market support and trust that was built, as a by product, of providing medium range projects, consistently in the past and the picture-perfect-relation maintained with the subcontractors, Freeman was destined to achieve the status it has, in the UAE, today.

Converting unconceivable dreams, to reality and reality to, a livable fantasy with its beauty, is what Freeman believes, during its journey, of reaching for the stars.
