COMPANY PRODUCTS / SERVICES

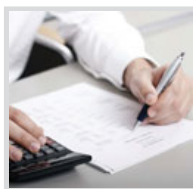

EXTERNAL  
& INTERNAL AUDIT

Optimising the benefits of audit to our clients is a key priority. We provide highly reliable and studied opinions in accordance with national statutory requirements and in compliance with international accounting and auditing standards.

DUE DILIGENCE  
& FEASIBILITY

Our due diligence services help our clients maximize the advantages of contemplated transactions and identify exposure and risks. Our multidisciplinary teams of auditors, management consultants, lawyers and tax consultants, with the specialized knowledge the client needs, work under the direction of due diligence professionals.

BOOK KEEPING  
AND ACCOUNTING

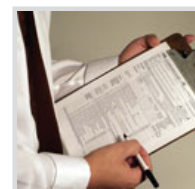

Accounting functions are also one of the first areas to feel the strain as companies look for ways to reduce costs. We assist clients respond to new rules and regulations, including disclosure requirements, as well as to seek international opportunities to address certain challenges, and offer advice on developing accounting functions, training staff or even outsourcing record keeping.

Our accounting services include: updation of accounts for a period, monthly accounting retainer services, quarterly accounting retainer services.

CORPORATE FORMATION  
IN FREE ZONE & MAINLAND

We are market leaders in assisting our clients in setting up their business in the UAE. We have assisted in setting up of over a thousand companies. We extend our services from initial approval, drafting of documents, obtaining approval from departments, bank account opening, sourcing of office premises, getting final license etc.

REGISTERED AGENTS FOR  
OFFSHORE COMPANIES  
IN JAFZA AND RAKFTZ

We offer a complete and comprehensive solution for incorporating companies in Jebel Ali Free Zone and Ras Al Khaimah Freezone. We have incorporated over 300 Limited Liability Companies in the UAE, over 500 Offshore companies and over 100 Free Zone companies/establishments.

BUSINESS ADVISORY

The firm combines its expertise in knowledge, creativity, innovation and experience to develop the best solutions for clients. We advise our clients for the following: Strategy and Corporate Planning; Valuation Services, Banking Advisory, Business Restructuring, Surveys & Research, Change Management etc.
